St. Louis, MO 63103

Re: Table of Organization Change – Airport Authority – Operations Center /  
Communications Center

Dear Honorable Board Members:

I respectfully request the approval of the following change to the Fiscal Year 2027  
table of organization for the Airport Authority:

ADD:

| <b>Job Class</b>                 | <b>Number of<br/>Positions</b> | <b>Code</b> | <b>Grade</b> |
|----------------------------------|--------------------------------|-------------|--------------|
| Airport Operations<br>Supervisor | 1                              | 1636        | 215M         |

This request will establish one (1) new full-time Airport Operations Supervisor position within Airport Operations & Maintenance. The position has a pay rate of \$2,566 bi-weekly / \$66,716 annually.

The Airport Operations Supervisor will provide operational oversight and staff leadership to support the safe, secure, and efficient operation of St. Louis Lambert International Airport. The position will be responsible for regulatory compliance, daily airport operations and incident response, coordination and communication with internal and external stakeholders, operational documentation and reporting, and workforce management and training.

Essential responsibilities of the position include:

- Safety, Security & Part 139 Regulatory Compliance (25%) – Conduct inspections; ensure compliance with FAA/TSA requirements; identify operational hazards; and coordinate corrective actions.
- Daily Airport Operations & Incident Response (15%) – Monitor airfield and terminal activity; resolve operational issues; coordinate emergency and disruption response; and support snow removal operations.

- Coordination & Communication (15%) – Coordinate with airlines, tenants, TSA, FAA, law enforcement, maintenance, vendors, and other departments to support airport operations and regulatory compliance.
- Documentation, Reporting & Continuous Improvement (20%) – Prepare and maintain incident reports, inspection records, operational statistics, procedures, and process improvements.
- Staff Leadership, Workforce Management & Training (25%) – Schedule and assign work; provide coaching and training; and manage employee performance.

The Airport Operations Supervisor will provide direct supervision to Airfield Operations Specialist Lead (3) and (10) Airfield Operations Specialists.

The position may utilize trucks, automobiles, small snow removal equipment, FOD removal equipment, and radio communication devices in the performance of assigned duties.

| <b>Fund/Department</b> | <b>Business Function</b> | <b>Cost Center</b> | <b>Program</b> | <b>Account</b> |
|------------------------|--------------------------|--------------------|----------------|----------------|
| 3012                   | 23                       | 420000             | 3012           | 510100         |

Your approval of this Table of Organization change will allow the Airport Authority to establish the supervisory structure necessary to support Airport Operations personnel and ensure appropriate oversight of operational, safety, regulatory, emergency response, and workforce responsibilities.

Respectfully,

Gerald A Beckmann  
Acting Airport Director

cc:

Casey Millburg, Chief of Staff, Mayor Office  
Benjamin Jonsson, Executive Director of Operations, Mayor Office  
Bryan Boeckelmann, Deputy Director, Department of Personnel  
Sonja Bussey, Department of Personnel  
Gerard Hollins, Deputy Director of Finance & Administration, Airport Authority  
Cole Meyer, Airport Assistant Director Operations Airside Operations
